¹ Information reported by HMOs as of the end of the fourth quarter of 2003, based upon the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 1.1" that instructs HMOs to exclude members for whom the HMO did not bear any financial risk. Some reports filed by HMOs prior to the first quarter of 1997 included members for whom the HMO did not bear any financial risk, and those reports would, therefore, not be comparable to the information shown in this table.

² Includes all members enrolled in the HMO in which reimbursement is provided pursuant to a Medicaid contract - as defined in the Massachusetts Division of Insurance's "Guidelines for Reporting Membership & Utilization Statistics - Version 1.1."

³ Carriers that do not have any Medicaid business are not reflected on this report.
